SPREAD THE LOVE: 7 WEEKS COFFEE PARTNERSHIP

With **Valentine's Day** quickly approaching, we wanted to remind our donors of the partnership we have with **7 Weeks Coffee**. If you're in need of a gift to spread the love, look no further! By using the QR code (right) or our affiliate link, a percentage from your purchase from 7 Weeks Coffee goes back **directly to Pathways of Pella**. 7 Weeks Coffee also supports other pregnancy centers both financially and through spreading awareness. Their name, 7 weeks, is a great reminder that a baby is the size of a coffee bean at 7 weeks and their heartbeat is clearly detectable by ultrasound!

This Valentine's Day, shop 7 Weeks Coffee to partner with them and with Pathways of Pella to **keep hearts beating by supporting life in and out of the womb.**

- **5 babies born** in the last 5 weeks—praise God!
- **4 more expected** this month—prayers for safe deliveries and healthy babies!

FEEL THE LOVE:

Dear Lord, this Valentine's Day, we pray that our donations, whether they be time or money, spread love to the clients at Pathways of Pella. In all that we do, help us to share the love of Jesus. We know that we love, because You first loved us (1 John 4:19). **In Jesus' name, Amen.**

STATS AT A GLANCE:

New Record:
64 client visits—including 6 brand new clients!

Praise God for connecting those in need with Pathways of Pella. We are so thankful for His provisions in all areas!

ISO: CLINIC VOLUNTEERS

We are in need of more clinic volunteers on **Mondays and Fridays**! A typical slot needing filled is 1-3 pm or 1-4 pm. If you are interested in helping out, **please contact** annette@pathwayspella.org. This volunteer work is deeply fulfilling and a great way to become the hands and feet of Jesus in our community. **Prayerfully consider this opportunity!**

ABORTION RECOVERY

Did you know Pathways of Pella is debuting a new service called **Pathways to Healing**? This service provides:

- **Confidential support**
- **One-on-one mentorship** for those feeling complex emotions after an abortion, miscarriage, stillbirth, or loss experience
- **Group advocacy** for those who have had abortions, miscarriages, or stillbirths
- **Additional resources** for those experiencing grief, guilt, and shame after an abortion, miscarriage, or stillbirth

Please read this note from our **Pathways to Healing facilitator, Amanda Ladwig**. We pray that this information reaches women in need of this healing:

"Are you struggling with **feelings of guilt and pain over a past abortion**? Know that you're not alone. Our peer facilitator and advocate has been trained to support you as you deal with the complex emotions experienced after an abortion.

Join us for our small group meetings for women who have experienced abortion and **are seeking hope and healing** in the context of a safe, confidential, grace-filled community. If your story includes abortion, we invite you to **consider joining us beginning in February.**

Please contact Amanda: pathwayspella@pathwayspella.org or text 641-780-4334 for more information. If you would prefer something more private, contact us to **schedule a one-on-one meeting** with our advocate.

We would count it a privilege to come alongside you on this **journey of healing and forgiveness**."
