BOOMING AND BLOOMING: SPRING AT PATHWAYS

Spring has sprung at Pathways of Pella. We've seen yet another record-breaking month with **42 client visits in February**. Within the **last 9 months**, there has been a total of **450 client visits**. That puts our **projected visits for the year at 600**! This triples 2024's entire year's visits. We need our donations to mirror those tripled numbers—in time, resources, and monies given. If you've been thinking about giving, there's no time like the present! It is so needed to **sustain the clients God has provided** Pathways with.

FEBRUARY STATS:

- **42 client visits** in February
