MOMS-HOSTED TRAINING: THE SCIENCE OF HOPE

In May, Annette and Dylann had the opportunity to attend a training hosted by the **MOMS** (More Options for Maternal Support) team in Ottumwa. **Pathways**, as a MOMS provider, is able to receive reimbursement for services that align with MOMS goals, including education, material support, and essential referrals and counseling for families.

The central theme of the training was **"The Science of Hope."** While we know **our truest hope is found in Jesus Christ**, many of the activities and speakers left us with new ideas on how to spark even more hope within our organization. We left feeling inspired, with renewed energy and several practical ideas that we are excited to begin incorporating into Pathways newsletters and programming. This special **Hope Newsletter** will highlight some of those upcoming changes and additions, and *hopefully* (pun-intended!) inspire some hope within you as well.

The **2026 Spring Gala** was an undeniably hope-filled event and a beautiful way to celebrate **30 years of Pathways**. From the fan-favorite Heads or Tails games to the video highlighting Pathways' history, and the record-breaking milestones shared by Annette, **hope was evident** throughout the entire evening.

Your generosity helped raise over **$39,000** for Pathways of Pella. As a result, numerous moms, babies, and families will continue to receive the **life-affirming** care and support they need at **no cost** and in **complete confidence**.

SNEAK PEEK: HOPE HANGOUTS

Another idea born from the "The Science of Hope" training is something we're going to call "**Hope Hangouts**." Hope Hangouts will be a more intimate version of the Spring Gala. Think of you and your gala table, for example, but as the only guests! You will be served a **meal at the Pathways clinic** and have the opportunity to **connect with our team**. Through this gathering, you'll help us cover the clinic in prayer, learn more about the day-to-day in the actual space we work in, and help us get to know more about YOU as a donor!

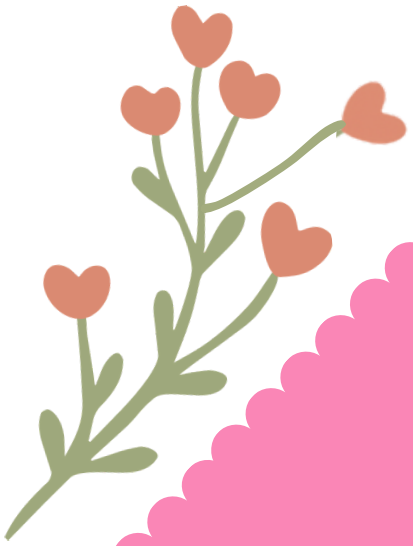

We anticipate this being a super meaningful way to **deepen relationships** between the Pathways team and our donors! By learning more about one another, the hope is sure to grow. If you want your name on our waitlist, please **call or text Dylann at 641-780-1572 or mail back the response card included.** We are so excited for this new opportunity for fellowship with you all!

CORNER OF HOPE

INSTEAD, YOU MUST WORSHIP CHRIST AS LORD OF YOUR LIFE. AND IF SOMEONE ASKS ABOUT YOUR HOPE AS A BELIEVER, ALWAYS BE READY TO EXPLAIN IT.
